

UK Mystery Tour

30 September – 2 October

Fancy a short break and can't decide where to go? Let Skinnners decide for you and join us for our first Mystery Holiday – can you guess the destination from the clues below? We would love to tell you where we are going but that would be telling! There is only one way to find out: come along. All that we will tell you is that the hotel will be at least a 3 standard and we shall include excursions on the Sunday and Monday.*

SUNDAY 30 SEPTEMBER Departing Oxted at 8.00am and stopping for coffee at a motorway services we make our way to a castle that you'd expect to be a palace... that's all we're telling you! But there will be plenty of time for sightseeing and this will be an easy-going and unhurried day, with stops for coffee and lunch.

MONDAY 1 OCTOBER Join us today for more mystery as we visit a market town with more than 800 years of history. Sited on the banks of a river, it is in a Shire surrounded by Shires. During the day we shall be making stops for coffee and lunch and have time to explore wherever we may be including a cruise on the river.

TUESDAY 2 OCTOBER After a leisurely breakfast we depart our hotel and make our way to an ancient town with a modern look that has industrial, ecclesiastical and political heritage and musical connections. Articles synonymous with high fashion and quality merchandise were manufactured here too from the 1700s to the late 1960s. Following our visit here we make our way back to Oxted, arriving early evening.
